### **Placing An Order**

Contact the Catering Office at [fmucatering@thompsonhospitality.com](mailto:fmucatering@thompsonhospitality.com). A room must be reserved before initiating a catering request for an on-campus function. After a location has been confirmed with the university, our staff will help you determine the menu, event setup and all the other details for your event.

### **Guidelines For Planning Your Event**

In arranging catered events, attendance must be guaranteed five business days in advance of the event. This guarantee will allow for the proper planning of your event and will be your commitment to pay for the guaranteed number or the actual number of attendees, whichever is greater. For weekend events, the count must be guaranteed on the Monday before the event so as to allow ample time for the ordering process.

### **Payment For Sponsored University Events**

Payment for a scheduled event should be made to Thompson Hospitality and is due three (3) business days prior to the event. This payment will place the event in what is known as “confirmed status”. If the event is not in confirmed status, Dining Services cannot guarantee that the service will be rendered. Therefore, it is crucial that the communication between you, the customer, the approving official office, and the Dining Service’s Catering Office is effective. As applicable, please provide one of the following forms of payment to the Catering Office:

- Completed copy of the purchase order form with all authorized signatures
- Foundation or Fund Certification Form

### **Payment For Non University Sponsored Events**

Payment for a scheduled event should be made to Thompson Hospitality ten business day prior to the event, the client must remit half of the bill. This payment will place the event in “confirmed status”. If the event is not in confirmed status, Dining Service can not guarantee that the service will be rendered. The remaining balance (50 percent) is due three day prior to the event. As applicable, please provide one of the following forms of payment to the Catering Office:

- Credit Card
- Cash
- Certified Check
- Money Order

For non-university sponsored events, state sales tax will be charged unless a tax exempt certificate is received prior to the start of your event.

### **Cancelation**

To avoid any pro-rated charges, all cancellations must be submitted, in writing, to the Catering Office at least 72 hours (three business days) prior to your event.

### **Delivery fees**

A delivery fee of \$80.00 will be applied to any event held away from the campus. This fee is for the transport of food, service equipment, china, flatware and linen.

### **Labor**

For events that are delivered an attendant will ensure that all items are to your satisfaction. If an attendant is requested, or required based on the style of service provided, additional charges will be applied as follows:

- Wait Staff: \$25.00 per four hours (minimum)
- Culinary: \$25.00 per four hours (minimum)
- Bar Tender: \$25.00 per four hours (minimum)

### **Taxes**

For non-university sponsored events, state sales tax will be charged unless a tax exempt certificate is received prior to the start of your event.

### **Safe Food Handling**

Safe food handling is a high priority for Catering Services. Therefore, we do not allow left over food to be carried out. For your safety, and that of your guests, a Catering representative will remove food from your event in a timely manner.

### **Security**

Catering Services is not liable for any equipment, supplies or personal belongings left in public function areas.
